About Porto Seguro:

Porto Seguro is one of the biggest insurance companies in Brazil and has been operating in this market since 1945, offering a wide range of insurance products and services through its various subsidiaries. Its main lines are auto, health, property, financial risk and transportation insurance, as well as pension plans. It is the leader in the auto segment, its main line of business, residential and commercial segment. It also offers a range of financial and general services that are synergic with the insurance operation, including credit cards, purchasing consortiums and monitored alarm systems, among others.
